## SCHOOL PROGRAM TO EMPHASIZE USSR ROLE

CONTACTOR DOCUMENTED COMPUNICAL T. Tombers Laidu. No 247. 8 Sep 49

The leading role of the Scylet Union in every aspect of contemporary life and the destructive, antisocial attitude of the imperialist Arglo-Saxon countries will be amphasized in this year's school progrem. Character building will take place along the lines of socialist doctrine. Russian will become the best-known foreign language in Poland. A preparatory course for socialogy and economics in the tenth grade (high school) will include dialectic and historical materialism. In the 11th grade, astronomy will be taught. History and literature will be based on historical materialism. Siclogy will include the theories of Michurin and Lysenko.

COMPLAIN OF POOR COMDITIONS ON SUBURBAN TRAINS -- Zycie Warszawy, No 247, 8 Sep 49

Commuters on suburban trains of the Warsaw region complain that trains frequently are late, overcrowded, and have no proper lighting, except small candles used by some conductors.

POLIBH-SOVIET FRIENDSHIP MONTH PLANNED -- Zycie Warszawy, No 249, 10 Sep 49

The month of Polish-Soviet friendship will be celebrated between 10 October and 10 November. The main slogan will be: 'Friendship with the USSR, aid from the USSR, Lectures, motion the example of the USER .-- the greatest sources of our achievements." pictures, broadcasts, sport events, etc., will highlight the event.

THEATRICAL, MUSICAL KHIERPRISES SOCIALIZED -- Trybuna Ludu, No 247, 8 Sep 49

All theaters, operas, orchestras and other artistic enterprises have been taken over by the state and will be conducted this season, for the first cime, under governmen's countral. Performers will have the status of government employees. Warsaw theaters will start the winter season with a contest for the best performance of a Russian play.

PREMATURE BABIES 10 PERCENT OF ALL LIVE BIRTHS -- Zycie Warszawy, No 251, 12 Sep 49

The number of babies born prematurely is 60,000 a year, for the whole country, which is 10 percent of all live births. Some 75 percent of these babies die in their first year. Better medical care for mother and child should diminish this high mortality rate:
